

Red Cross Swimming at Wilvaken for all campers

Swim levels 4 - 10

Wilvaken has been teaching the Red Cross swim levels for many years. Over the past little while we have had a drop in the number of campers interested in taking the swim lessons offered by our staff. This makes it very difficult for the staff and the campers that do come, as a review is needed when someone decides to join in again. We know that many children take swim lessons during the year in pools and don't want to do this during the summer at camp.

We are going to continue teaching but only to those campers who sign up prior to coming to camp. The lessons will still be open to all campers even if they do not sign up ahead of time. All campers will be assessed on arrival day.

Please note that campers who are non-swimmers, must take the swim lessons.

Swim lessons are fun and not just work! We have so many activities on the waterfront that we feel it is important the campers have a good swimming ability in order to feel comfortable doing these activities.

So in order for your child to do these lessons, we ask that you and your child complete and sign the form below which will indicate to us that your child is really interested and will follow through. This will mean that they will be obliged to go to these lessons on a daily basis. We look upon this as an agreement between you as parents, your child and the camp. Please discuss this with your child.

There is a good possibility to complete a level in a two week period if your child does not miss the swim lessons. There is no extra charge for these lessons.

Campers who have already completed their Level 10 do not need to sign up but may take the Bronze Medallion/Cross course if they are 13 years old or over. If your child is interested in taking the Bronze course please check our web site for further information.
