

Bronze Medallion / Bronze Cross – A Two Week Swim Course

Bronze Medallion or Cross swim program is offered for campers ages **13 to 15/16**. As a prerequisite, any camper who wishes to take the Medallion program must have completed their Red Cross Swim Level 10 or have the ability of Level 10. A photocopy of that level received must be sent to the camp upon registering or when the level has been completed. Those wishing to take the Cross program, must have previously completed the Medallion course.

As this is a serious swim course, campers who sign up must understand that they will have 2 hours of swimming daily and one hour of theory starting after lunch. They will not have the opportunity to go on a prolonged canoe or hiking trip during this period. There will be a theory and swim test at the end of the course. Mornings will be as usual, so the camper can jdo their instructional activities, and a free period at 11am, and 4pm. **This program will be a two week session given twice during the summer. Campers may sign up for this program even if they are coming for 4 weeks or more.**

There will be no charge for the course but there is a fee for a Life Saving Society text book, mask and exam. We will order the books and masks once we know how many people have signed up and deduct the amount from your personal expenses.

This is a great opportunity for all campers as it is the first step in becoming a lifeguard. Upon completing the Medallion course, the campers may take the Bronze Cross and at age 16 may take the National Lifesaving course – where offered.

If in the future, the camper wishes to do our CIT program at Wilvaken, then as a minimum he/she must have the Bronze Medallion as a prerequisite.

We would like parents and campers to understand that if this is agreed upon, then the camper must know and agree to take this course to completion unless the instructor feels that the camper is not strong enough. **We will need a minimum of 6 campers to run this program** during a camp session.
