### Theme Day a Success:

By: Josh Cohen

Starting with a meal with the Queen and the Prime Minister and ending with Olaf in Canadian colors, all the provinces participated in theme day (Except PEI). The various activities around camp showed Canada's different faces. While the Yukon and Canada's beautiful waters were shown through raft building, Canada's vast forests were shown through orienteering and Canada's wildlife was shown through beaver-tail hunting. Ben enjoyed his part in Canada's birthday “*I really like running around all day*”. Campers also enjoyed it, Brieuc said “*It was very fun*”. The red and white are without blue today.

### Fun Facts with Ben:

Octopus have three hearts.

### Fun Facts with Kelsie:

People with green and blue eyes are the youngest souls on earth whereas people with brown eyes are the oldest.

### Pau Pau:

Dear Pau,

*Your Spanish accent enchants me, the way you mispronounce words makes my heart flutter. Every time your eyes blink behind your glasses I see our future in front of us. As I watch you swim the butterfly, envy fills my mind for the girls who have ever been yours. Your short hair blows in the wind like the sailboats I watch you skip. I may be anonymous, but my love for you must be known because Pau makes my heart go....Pau!*

### Fortune with the stars

Balance: Le soleil sera très chaud tout comme ton coeur. Souviens toi, la protection est toujours importante lorsqu'il est question de soleil et d'amour.

Virgo: When it comes to adventure you are no stranger. The time has come for you to venture off and discover your bare soul. It seems as you have a quest that only you are able to accomplish.

Cancer: J'ai entendu dire que tu es très à l'écoute des autres. C'est maintenant à toi de t'ouvrir aux autres.

Aquarius: When the waves crash along the shore they are trying to tell you that there is a special someone in your future. Keep your eyes open as your soul mate is around the next tree.

Taureau: Cette semaine, la chance te sourira, essaye de nouvelles activités.

Leo: You grow fierce with the wind and the stars see trouble in your life. Be aware of your surroundings and always bring a flashlight as there is trouble around the wash stands.

Sagitaire: Les chemins au camp sont glissants. Les chances que tu tombes dans l'eau sont tout aussi grande que les chances de tomber dans les bras de ton âme soeur.

Gemini: Can I hear an applause? Gemini you are rocking it these past few days and the stars predict happiness at free swim this week.

Scorpion: Tes mouvements de danse sont top!  
Tu peux impressionner n'importe qui, même Amigo.

Capricorn: Ball sports are calling your name. Don't be afraid to try new things! Good things and tough sports will follow your path this week and only victory will be present.

Bélier: Les desserts seront tes meilleurs amis cette semaine parce que tu auras beaucoup de trouble avec le soleil et la pluie.

Pisces: I hear that water will not be your friend this week. Be careful and make sure to bring a pool noodle and a buddy in the water. Did someone say lake shark?

## The CIT's are coming:

The CIT's have arrived, with all eight of them now joining the Wilvaken CIT Staff 2017. "I can't wait for them to get here, and be part of our community!" says one staff member, "I think the CIT's have a lot that they can contribute to staff life!" Well, with such a glowing recommendation it would be hard not to be excited for such a lovely group of 16 year old staff members to arrive. The CIT's for this summer are Eli, Seb, Emilie, Erika, Naomie, Will E., Romy and Luca. If you see them around, say hi! I'm sure they'd love it.

## Letter to Gabby:

*Dearest Gabriel Stephen Dannenbaum,  
Your hair brown like the leaves in the fall,  
And your smile so bright it reminds me of  
the stars.  
I see your sweet eyes while I dream and it  
makes me think of the deep deep love I have  
for you.  
I dream of you and I together in Venice,  
Italy traveling down the rivers as you sing  
with your soft and gentle voice. We glare  
into each other's eyes and I couldn't think of  
anything happier. We are meant to be  
together.

## Le meilleur overnight:

Malgré la température qui ne semblait pas être de notre côté pour notre overnight, tout s'est bien déroulé. Nous avons d'abord marché jusqu'au tir à la carabine où nous avons installé des tarps pour se faire une immense cabane. Par la suite, Kelsie et Laurence ont cuisiné un délicieux souper, même si c'était pétillant selon Alexa. Nous avons joué dans la forêt pendant un moment et nous avons ensuite mangé des smores. Certaines préféraient leurs guimauves brûlées alors que d'autres les voulaient dorées. Finalement, nous sommes retournées dans notre cabane où nous avons fait une activité où tout le monde recevait de gentils messages. C'est donc avec le coeur rempli d'amour que nous nous sommes endormies.
